Materials

3 skeins Caron Cotton cakes
 H/5.00mm hook
 Tapestry needle
 Scissors
 Stitch Markers (optional)

Pattern notes

Beginning chains count as a stitch. Using stitch markers to mark off the beginning of your rows may help keeping your rows even.

To make the rug larger in width, add to your beginning chain in multiples of 2. Add to the length by repeating the pattern.

Dimensions: 19" x 26.5" without fringe after blocked

Abbreviations (US terms):

Ch = chain, hdc = half double crochet, sk = skip, st = stitch(es), tr = treble crochet

Fasten off. Weave in ends and block project if necessary.

Add fringe. Cut 15 inch yarn pieces. Take 4 strands at a time, fold in half and loop through stitches every 3-4 spaces.

To add the extra knot, take first tassel and half of second tassel and knot together in the middle. Knot half of the second tassel and half of the third tassel together in the middle. Continue making knots down the row. At the end, take half of the second to last tassel and last tassel and knot together. Trim fringe as necessary.

I have a YouTube tutorial on how to add the fringe that you can access here: <https://youtu.be/hFd5bFDNTj4> or by searching 'Maria's Blue Crayon fringe' on YouTube.
