## Materials

Worsted weight yarn in one solid color and one variegated color  
I used Lion Brand Vanna's Choice for my main solid color and 40 yards of hand dyed yarns in variegated colors.

J/6.00mm hook

Scissors and Tapestry needle

## Pattern notes

Beginning chain does not count as a stitch.

Hat will be made from the bottom up starting with the brim.

The brim will be made in short rows then connected. Body of hat will be made in rounds.

For less yarn tails, carry the yarn up the inside of the hat when changing colors.

When working with the second color/variegated yarn, the stitches will be worked in between the stitches of the previous row versus in the top of the stitch.

For a child size, start with 8 chains for the brim and only repeat rows 3&4 for an additional 3 times.

Finished beanie fits snug on an adult 21" head and is approximately 8" tall. Go up a hook size for a looser fit.
